WorkNC-16 Utorrentl This is completely free website and is hosted in United States. Do Not support or visit this site as it is not created by us and is not affiliated with us in anyway.Troy Surface Transportation Project The Troy Surface Transportation Project (TSTP) is a public transit project in the town of Troy in Rensselaer County, New York, United States. Construction began on the project in 2004 and was completed in 2014, resulting in a long light rail line and a bus rapid transit line. History The Rensselaer County Legislature was expected to approve a capital plan that included $100 million for construction of a light rail and bus rapid transit line around 2004. Construction for the project began in 2005 with the first phase, which
